

## FEEDBACK COLLECTION

Feedback is vital part of teaching and learning process. The collection and analysis of feedback from different stakeholder assist the institution to understand the need of society and what other stakeholders foresee from the institution. Internal Quality Assurance Cell makes it a tradition to mandatorily collect feedback from stakeholders- students, teachers, employers and alumni. This is done by the Feedback Committee. They collect and analyze the feedback received and make suggestions to appropriate bodies so as to initiate the action for improvement.

### Objective:

The objective of the exercise is to correctly gauge the impact of all the efforts taken by the institution at all levels on the various stakeholders. The institution wants the benefits to reach the stakeholders. This feedback is collected and trends generated through statistical analysis. Based on the opinions of the stakeholders, further action is taken by the administration.

### Methodology:

Sl. No	Feedback type	Frequency in a year	Objective
1	Students Feedback	Once	Design and review of Curriculum
2	Teachers Feedback	Once	Design and review of Curriculum
3	Alumni Feedback	Once	Design and review of Curriculum
4	Employer Feedback	Once	Design and review of Curriculum

Feedback on curriculum is collected from the students by providing the Feedback Forms .Then it is collected back and brought to the IQAC for its analysis. The Statistical data is handed over to the Feedback committee. Further suggestions are incorporated by departments, college Council and governing body.

- Alumni Feedback is collected during alumni meetings & even online. The filled in forms are sent for further action.

Feedback is collected from teachers as well by providing the feedback forms. Subsequent action is similar to the other forms.

- Employers' Feedback is also collected either in person or online for further action.
- The feedback committee collects inputs and suggestions from the stakeholders and further action to be taken is discussed with departments and authorities. The decisions taken by the authorities are forwarded for action to be initiated.

## **ANNUAL FEEDBACK ACTION TAKEN REPORT 2020-21**

The feedback was taken for each class and each year. Employers for the entire department have been looked at, which is inclusive of those who place students for internships as well as those who employ, both graduate and post graduate students. Teachers have given their observations on the lacunae that they have observed in a few subjects and have also reported the modifications made during the course of the year and suggested remedies for the same. The analysis for each question has been considered. In general, the feedback has been positive with all stakeholders expressing satisfaction with the outcomes. The responses have been positive with respect to content, design, workload and applicability as well as with inclusion of advancements. Subjective feedback provided by a few respondents have been studied and collated. Only those suggestions pertaining to curriculum content and design have been considered. A feedback analysis report has thus been prepared. The relevant and specific suggestions given have been listed out and have been submitted to the IQAC.

The data get compiled and analyzed by the members associated with the committee. It then goes for deliberation to the IQAC, College Council and the Governing Body. General Action Plan is prepared after data collection and analysis. Annual Feedback Action Taken Report is given after analysis of stakeholders' feedback. Meetings are held at the department level, college council and Governing Body to discuss the suggestions and trends and feasibility of implementing the suggestions in the feedback.

### **Department of Commerce**

This academic year 2020-21 was completely conducted through online mode. The pandemic hit all of us hardly especially the students. They had to go through a different mode .Even though this year was full in crisis a feedback form was circulated and collected from various stakeholders i.e., students ,employers, teachers, alumni ..

From the feedback form collected from students it was very well understood that students were not at all satisfied regarding academic area and also they opined that they missed the campus environment. There was also issues relating to the mode opted for teaching, since because they were exposed to such a platform for the first time majority students were disappointed ,and also network problems was really hindering them a lot. Efforts were taken to ease their studies giving them more attention by adopting extra classes, remedial classes.

### **Department of Psychology**

Feedback was evaluated in 2020-21. Each class was reviewed and the teacher reported progress and concerns. We examined changes during the study and questions during the study. Each student's achievements in academic and extracurricular activities were evaluated because success in a career requires excellence in all aspects of the individual. We address all issues and take effective steps to improve performance. These measures have also changed according to requirements. In general, the feedback was positive and everyone involved expressed satisfaction

with the results. Feedback was positive regarding content, design, workload, applicability, and inclusion of further development. Subjective feedback from a small number of respondents was investigated and collated. Only curriculum content and design suggestions were considered. Therefore, a feedback analysis report was created. Related specific suggestions were listed and submitted to IQAC.

The data is edited and analyzed by members of the committee. It is then discussed by the IQAC, the College Council, and the Governing Body. A general action plan is created after data collection and analysis. Feedback Action reports are created after analyzing stakeholder feedback. Meetings are held at the department level, the college council, and the board of directors to discuss suggestions and trends, and the possibility of implementing them with feedback.
